Retail Energy Division

By signing this Product Sheet, the customer listed below agrees to have **North Parkland Power REA** supply the site id(s) listed below with Energy, in accordance with the attached terms and conditions and at the price and for the term shown below.

Product	Contract Term	Price/kWH
Electricity Only	12 months with auto-renew, price/terms/conditions	April 2012 at 8.50.¢/kWh

**Energy
Products**

Additional terms and conditions applicable to the product are:

- **Price includes UFE and Line Loss**
- This contract can be cancelled by either party without penalty with 6-months notice given.
- Stable rate price will be posted on our website www.northparklandpower.com minimum one-month prior
- Members will be given one-month notice for any price changes.
- Cancelling this Contract without 6 month notice and an Early Exit Fee applies, as follows:
1.5 cent per kWh for each kWh of electricity usage for the remainder of the Term, each as applicable. The usage for the remainder of the term is estimated based on your historical consumption as provided by your Distribution Company.
(An average REA member will consume approximately 12,000 kWh of electricity per year.)
- You are also responsible for Other Charges set out in the Standard Terms and Conditions. Other Charges not mentioned in the terms and conditions that you will be charged are:
 - Late Payment Charge: if you pay your bill after the *Due Date* as set out in your bill, you will be required to pay a late payment charge of 2.0% per month on any amounts outstanding after the payment due date.
- You must be a member of North Parkland Power REA.
- You must have a completed and approved North Parkland Power REA Electrical Service Contract.

The Contract will start on April 1, 2012 and will continue for the contract term and renew automatically unless cancellation notice has been provided, as described above.
